# ASHRAY CARE CENTRE

Exceptional care for your loved ones

Ashray Care Centre is 35 bedded rehabilitation centre which includes private, semi private and general rooms. Our facility designed for senior rehabilitation or even a nursing home, can spend more time working with the patients as opposed to home care alone. This is the important because the more time spend working on rehabilitation, the quicker patient improves.

We provide high quality of living standard and care along with supervision under taken by well-trained care team.

### We can help to elderly like.....

- Elderly bed-ridden
- Isolated elderly living alone
- Semi / permanently immobile
- Patient suffering from neurological disorder
- Post-operative cases
